Principal's Report

We have had another busy time at school this week as everyone settles into the new term. Our Year 12 Legal, Maths and PE students attended VCE revision classes before school on Wednesday which is a great effort, especially for those who live out of town, and thank you to their teachers who come to work early. Most weeks these classes are held for different subjects giving students the time to undertake revision and practice exam questions.

The Year 12 English class travelled to Mildura last Friday to see the play Wuthering Heights at the Arts Centre. The class is studying the novel as part of their course.

Our choir met on Wednesday to practise a new song and our Cross Country competitors trained at lunch times.

Students in Years 3, 5, 7 and 9 are preparing for NAPLAN testing early in May with teachers reinforcing skills such as reading and interpreting instructions.

The Year 6 students involved in the Fellowship with the State Library have begun their projects, guided by library staff and Miss Burns. This project will continue throughout the year, culminating with publishing of reports towards the end of 2016.

The study skills’ focus this week has been Resilience. Emotional Resilience involves the ability to control one’s emotions (anger, worry etc) when things go wrong. It means being able to calm yourself down when you are very upset. There are a range of strategies we can use to promote Emotional Resilience including self-talk, positive thinking and making positive choices.

The Cathy McKechnie Memorial Garden is slowly taking place with the first of the sculptures from Mallee Dust Design being concreted in by the students. This will be followed by the planting of some ground covers and other hardy plants, with the inclusion of a fish pond.

Aussie of the Month:

MATHS CAMP FOR RURAL STUDENTS:
Over the school holidays, Samantha Sharp was fortunate enough to be one of forty students across Australia to be invited to attend a camp held by the Mathematical Association of Victoria (MAV) as an extension program for Year 10 students from rural areas. This was fully funded by the MAV and State Government and was a fantastic opportunity to be able to see Mathematics in action across different types of industries and meet like-minded people. There will be another camp in 2017, and applications will be submitted in Term 4. Anyone interested, should feel free to ask Samantha about it, as she has plenty more to share!

What Samantha had to say about the camp:
Between April 4th and 8th I was down in Melbourne for the Mathematical Association of Victoria’s Maths Camp. 40 Year 10 students from all over rural Victoria attended the camp. From there we were divided into two groups that we travelled with and stayed in the same hotel. In those groups we were divided into smaller groups and given a problem to work on throughout the week from a certain industry. I was working with the Reserve Bank of Australia and my group’s problem was to do with how high the interest rate should be, depending on inflation and unemployment.

During the week we visited and toured businesses like IBM, CSIRO, Downer, the Reserve Bank, the Department of Defence as well as tours of St Mary’s College and La Trobe University. It was fascinating to see how Maths is used in these industries and it was a great eye-opener on how many different jobs are out there. I also made a lot of friends and the night activities were entertaining.

Ably led by College Captain Aidan Down, the SRC commemorated ANZAC Day with a short service ending in a minute of silence.

Year 5 & 6 SRC reps Joel, Madi, Georgia & Evan read the pledge of remembrance at the service.

Students, including Brylie, Jim, Allie, Laura, Adriana, Peter & Aidan, left bundles of rosemary at the bottom of the flagpole.

**PLASTIC LID MURAL UPDATE – WE NEED MORE LIDS!!**

Plans are well underway for our lid mural on the North-facing Community Centre wall.

In collaboration with the Year 10 Art students, the Year 10 Ag students have agreed on a suitable design and layout for the mural.

As we are now looking BIGGER than originally envisaged, could everybody please KEEP COLLECTING LIDS!

We appreciate the hundreds that have already come in, but please KEEP THEM COMING!!!
MATHS. CAMERA. ACTION:
The Australian Mathematical Sciences Institute (AMSI) and the BHP Billiton Foundation have developed a five year national program called CHOOSEMATHS. This program aims to alter the public perception of mathematics so people understand and appreciate the application of maths beyond school, into industry and the workplace.

There is an opportunity for students to get creative and enter a competition to bring the love of mathematics to life on film!

This is a group project involving 3-4 students per team, and open to both primary and secondary students. There are two categories:

Senior (Years 9-11)
Junior (Years 5-8)

The task:
To create and submit a 3-5 minute video showing the theme “Maths is more than just numbers”.

For juniors, the video needs to show maths being used in a real life context, while seniors need to give a clear explanation of the mathematics surrounding a particular area or problem.

Videos can be produced using any kind of audio-visual media and will be uploaded to YouTube.

PRIZES
Best Senior Video: $2000
Best Junior Video: $2000
Three Second Prizes: $1500
Five Third Prizes: $1000

Awardees will also receive an amount equivalent to their prize money for their school to use in a nominated mathematics project.

This is a fantastic opportunity for students to show how maths is used beyond the classroom and for parents and community members to work with our young folk to develop a video showing maths in the country!

For further details and to find out how to enter, please see Miss Grant or go to the website choose-mathsawards.org.au
AG HORT NEWS:
Ag Hort students in Years 10 and 11 have been busy around the school grounds. The quadrangle garden is being maintained by the students with regular pruning and weeding to keep it looking in top shape. Students are also successfully running small agricultural or horticultural businesses, ranging from vegetables and flowers, to pet rabbits, yabbies and chickens. Over time, students will be selling their produce through fresh produce markets at school and also via advertising in the newsletter. In the pipeline is a new vegie and herb bed outside the food tech room, a bright mural for the school grounds and a glasshouse up at The Patch to name a few.

Year 1 & 2 NEWS:
Year 1s and 2s have been looking closely at Procedure texts and can describe them as texts that tell or describe, how to do ‘something’. After Mrs Grace’s 1/2 Literacy Group read and discussed the elements of this procedural text, they asked if it could be placed in the newsletter so others could have a go at making a ‘Twister in a Bottle’.

Due to the resurfacing of the netball courts at Blackburn Park Net, Set, Go will not commence until the resurfacing is completed.
Details will be in the newsletter when we have a start date.

Twister In A Bottle

You will need:
- two plastic drink bottles
- water
- food dye
- thick sticky tape

1. Half Fill
2. x 5 Drops
3. Strap Tightly No Gaps
4. Tape the other bottle on top of the first one. Make sure there are no gaps.
5. Tip the bottles over. Make two circles with the top bottle.
6. Repeat Step 4 to watch Step 5 again.
7. Watch the twister go! Turn the bottle over and do it again.
SEPEP ROUND 1 REPORT

GAME 1 - The game that I watched was between Team 1 ‘The Spiritual Clan’ and Team 2 ‘The Tropics’. The score at the end of the first half was 14 to 3 with The Spiritual Clan leading. The score at the end of the game was 20 to 10, with The Spiritual Clan winning.

The better players for the game were Bailey, because he showed good skills, Reece because he is a good team player and Bradley because he had a positive attitude and played well with his team. Students who tried hard and showed improvement were Dylan, Greta and Chyna. They were positive, grew in confidence and tried their best.

GAME 2 - Round 1 of Handball had a smashing start with all players from both teams playing to the best of their ability. Team 3 ‘Black Thunder’ were defending extraordinarily well but couldn’t get many goals. Oscar, starring for Black Thunder played outstandingly, scoring the most goals from both teams. The second quarter started and Team 4 ‘The Inbetweeners’ quickly became tired and slackened off. Black Thunder consistently scored goals and caught up with The Inbetweeners. The score was so close during the second quarter. The Spiritual Clan and The Tropics watched from the sidelines cheering loudly. Tension filled the stadium. The final whistle signalled the end of the game. Everyone waited anxiously as the score was announced. Black Thunder won by an exciting one point.

Although it was a close game, The Tropics were still thrilled at the score and they all knew that they tried their hardest throughout the game. The best players were Oscar, Ryan and Sophie. Others trying extraordinarily well were Jayde, Jema and Nick Coe.

YEAR 9 SEPEP

The Year 9 PE class is currently undertaking a SEPEP (Sport Education in Physical Education Program) unit, playing European Handball.

SEPEP is a student-centred approach to Physical Education which takes the best parts of community sport to enhance student learning. The philosophy behind SEPEP is for students to experience a program which mirrors “real life” sport. The students are divided into teams and each student has a role to play in the organisation and running of a competition.

Each week, the Publicity Officers are responsible for writing a report and taking photographs. The reports from the first week of play are found in the adjacent column.

SCORING -

Points achieved by each team is not only based on wins, losses and goals scored in the matches. Teams also gain points for being in correct uniform, bringing all equipment required to the game, warming up properly, scoring, refereeing, preparing match reports and taking photos.

SSV Mallee Division CROSS COUNTRY TEAM TRAINING

The SSV Mallee Cross Country will be held in Ouyen on Tuesday 17th May.
Well done to the majority of squad members who are on track to complete the training requirements for the Interschool Cross Country event. It is great to see these students making every effort to prepare themselves to perform at their best. Any students carrying injuries or fighting off illnesses and unable to train should have the courtesy to see Mrs. Morrish or myself to let us know and not just absent themselves from training.

Girls in a Whirl – Thanks to the families with girls in years 4 or 5 for the encouraging response to the Girls in a Whirl program. It looks like we will be running two sessions – a Tuesday and a Wednesday to accommodate you all. Tania will confirm with families shortly.

Well-being is a ‘front and centre’ concern for parents. Physical, mental and social health are important to our community. Parents Association is planning a number of events [like Girls in a Whirl] which focus on some of these. They will be relevant to different groups in the school community e.g. teenage boys; Years 10, 11, 12; pre-pubescent girls; parents etc

The Safe Schools topic has been in the headlines. What this means for us will be unpacked at a forthcoming meeting.

Thank you to our dedicated staff who gave their time to discuss student progress with parents and students last week. Parents Victoria has a leading document titled “Communication is the Key” which focuses on the importance of communication – regularly, clearly – between school and home for the best outcomes for students. These interviews are an important part of this structure.

Membership – Thanks to those who used the slip on recent newsletters to pay Parents’ Association memberships, indicate how you would like to receive minutes of meetings, and to note a meeting preference. Please use past newsletters to complete your membership info. Only a couple of preferences for meetings have been noted and they are split between after school and evening. Meeting times might vary occasionally, depending on guest speaker scheduling – either 3:30p.m. or 7:00p.m.

Catering – All quiet at present. Year 5 Pushcarters are looking after a small event early in May. HOWEVER, Parents Association has responsibility for cooking the BBQ at the May Market day in support of the Year 5 and 10 Energy Breakthrough crews on May 15th. Volunteers to slice onions, cook from 10:00a.m. [1 hour shifts] or serve are invited to contact Fiona Latta 0427141515 or Raelene Vine 0407849174 over the next week or two. BBQing from 10:00a.m. til 1:30p.m. (or until sold out)

Sheep Sale FAQ sheet. We have a lengthy bit of information in a Question and Answer format which should help explain some of the mystery of the Sheep Sale to new families. We appreciate the contribution of every school family to this community service school fundraiser. It is being sent home to new families and will be on the website and fb page for anyone to browse through. Apologies for the delay.

Congratulations: to all those who took part in the ANZAC Day commemoration on Tuesday. Best wishes to those year 10s and staff/ parents heading off to visit the national Capital next week.

Raelene Vine – President, Helen Lam – Secretary

Missing a dish? These three have been holidaying in the staffroom while waiting to be claimed since the Cluster day in February.

THE SHEEP SALE
Information Sheet

From the days of a group known as the “Mother’s Club”, parents of children at school have been providing refreshments at the sheep sale. It began with a trestle over a couple of 44 gallon drums under the shade of a gum tree. Over the decades, the kiosk has raised thousands and thousands of dollars for the schools to purchase additional equipment with. To continue this service, the support of the school community is required. As the sheep sale may be new to some families, some questions and answers have been provided below.

HOW DOES THE SYSTEM WORK?
The sheep sale coordinator (Michelle Morrish) develops the roster for the year, with each family included. The forthcoming two weeks are printed in the school newsletter and a roster is sent home on the newsletter for each family. The aim is for a family to work or cook once during the year, but with falling numbers, some families are rostered more than once – thank you to these people who volunteer to work or cook more than once.

ROLE OF THE WORKERS
There are generally two workers per sale, with a team leader in charge. The team leader contacts the workers and cooks to let them know the sale is on and what is required. The workers run the kiosk – set up tea/coffee, cut sandwiches and slices and put on pies/pasties. They serve at the kiosk generally from 8.15am – 1.00pm. The team leader is sent a letter outlining other tasks to complete.

WHO WORKS?
Workers are usually parents who do not have younger children. If you are rostered to work and have a younger child and you take them to the kiosk, it is your responsibility to supervise them.

FOOD REQUIREMENTS
There are usually three cooks per sale. Two cooks prepare two packets of mixed, uncut sandwiches and the third cook provides three dozen mixed cakes/slices. If you have a preference, it is often a good idea to contact the team leader and get in early! Food needs to be delivered to the kiosk by 8.30 am at the latest. If you deliver food in containers, please arrange to either pick them up or have them dropped back to you.

PURCHASING SUPPLIES
If you need to purchase anything for the kiosk – such as milk, please purchase at Jason’s IGA and place the receipt in the cash tin. Pies, pasties, sausage rolls and drinks are purchased by the kiosk supervisors (Melinda Clarke and Carmel Vallance) If supplies are running low, please leave a note in the cash tin.

PAYMENT
Customers either pay cash when purchasing items, or stock agents can book down their purchases. Sheets for this are in the cash tin. Please indicate the name of the purchaser when booking down items for BR&C.

FINALLY ………
If you have any questions PLEASE do not hesitate to ask.

Registering your child to ANZ Tennis Hot Shots – Parental Consent Form

Our School is an official venue of Tennis Australia’s Partnership Program which means students will experience the national kids’ starter program ANZ Tennis Hot Shots in their health and physical education curriculum.

As a valued supporter of the program, all children are able to register to claim their free New Balance tennis t-shirt as well as enter competitions which could win them $5,000 (the Hot Shots Kid of the Year competition) or an opportunity to meet a tennis legend (last year’s winner of the relevant competition got to meet Roger Federer). For a limited time only, all registered first year new starters will receive their own ANZ Tennis Hot Shots racquet from our sponsor ANZ. There is no cost to students. Children should be in Years Prep to 6.

To register your child simply complete the form below and return to Mrs Morrish no later than Friday, May 13th. T-shirts will be delivered to the school.
