Principal’s Report

I am sure everyone enjoyed the respite from the extremely hot weather on Thursday!

I must congratulate all of our students and teachers for their staying power over the past 12 days. It has been very challenging but once again our flexibility and resilience means that everything that needed to be done was; and was done well!

On Demand testing has been completed this week by students in Years 3 to 10. These literacy and numeracy tests are required by the department and give us valuable data on student achievement and individual needs.

Swimming training for the Swan Hill Sports has continued in spite of the closure of our pool. Thank you to the parents who are transporting their swimmers to Underbool and to the PE staff who are giving up even more of their time!

Miss Burns has been in Melbourne this week with our team of researchers, who are working with fellows from the State Library of Victoria. I’m sure we will hear details from them over the coming weeks.

Have a wonderful long weekend and good luck to all tennis players!

Shelley Cross
Acting Principal

MUSIC:

**Music Lesson Subsidies:**
Here are some answers to frequently asked questions. I hope this provides some clarification for our students and families.

1. We will count the subsidy as being for ten lessons, as this is usually the length of the term and the commitment we are asking of our students and families.

2. If anyone has paid in advance for the whole term, they might receive their subsidy next term (ie free lessons) if they choose to continue. If not, the school might be able to credit the family's account (subject to approval from Management).

3. If the students have 1:2 drum lessons, it is reasonable that if their lessons are cheaper, then the subsidy would be $5.00 per lesson instead of $10.

4. The school pays for the whole subsidy up front directly to the tutors, and the reduced rate would be invoiced to parents as before. Families are still subject to the same terms and conditions regarding payment, notification of absences and so on, as they were before.

⇒ Please note that guitar lessons normally scheduled for Monday 14th March will now be taken on Thursday 17th March.

Please be aware that some students might qualify for swimming, so **Monday’s guitar students involved in swimming at Swan Hill on this day will need to make their own arrangements to swap lesson times.**

YEAR 10 FOOD:
The Food Tech students have been challenged in their yeast and dough unit making Hot Cross Buns in a short time frame [two periods]. The hot weather allowed the proving process to be shortened and some fine buns were baked - chocolate and traditional, with fruit and without. Students were fascinated by the rapidity of some dough doubling in size while other dough took its sweet time. Why is that so? Getting the right temperature for activating and fermenting [rather than killing] the yeast is critical. They also learned that kneading requires some skill and a lot of persistence.

Year 10s also whipped up some salads on Monday. Delicious Waldorf (with apple or pear) and Caesar Salads were carefully prepared. Making mayonnaise can also take some effort.

### How Can I Find Out About Tertiary Courses/Careers?

- # Go to the Victorian Tertiary Admissions Centre (VTAC) website [www.vtac.vic.edu.au](http://www.vtac.vic.edu.au) and do a Course Search (eg find where a particular course is taught, what is this year’sATAR, what are the prerequisite VCE subjects?)
- # Go on-line and search for courses on institution websites
- # Read brochures/pamphlets about courses
- # Go to career events such as Career Expos; and institution Open Days # Attend school holiday programs run by some universities and other organisations (eg the Zoo and Healesville Sanctuary)
- # Search the Job Guide at [www.jobguide.education.gov.au](http://www.jobguide.education.gov.au) this site also offers links to other useful careers websites (eg Job Outlook). Find out what a particular job involves, and what is the likely rate of employment upon graduation
- # Talk to people who work in careers which interests you; What do they like about their careers? Are there disadvantages? How did they qualify?

### Do You Want To Find Out About Studying At Monash University?

Monash is holding a Seminar Series where you can find out what it is really like to study at Monash. The seminar series this year is known as ‘Inside Monash’. Bookings/Information: [www.monash.edu/inside-monash](http://www.monash.edu/inside-monash); Other Information: Call 1800 MONASH.

### Focus On Deakin University

- The largest campus is in the Melbourne suburb of Burwood, two campuses in Geelong, one at Waurn Ponds and the other on the Geelong Waterfront and a campus Warrnambool. Deakin is somewhat unusual in offering the three semesters (trimesters) per year. This means that it is often possible to complete a three-year degree in two years.

A great new resource for exploring courses and careers at Deakin can be found at: [www.explore.deakin.edu.au](http://www.explore.deakin.edu.au)

WHAT IS PARENTS ASSOCIATION?
It’s really what you want to make it. Basically, it’s a parent organisation within the school which works to build partnerships between the three main stakeholders in a child’s education – the child, the family, the school. When the group meets, the school shares information about what it’s doing for the children; and why. It asks for ideas, feedback and, sometimes, for help.
Parents are invited to support school programs. There are events and information to assist with the ups and downs of parenting.
To help the school provide the best educational opportunities it can, parents are asked to help with activities and with fundraising.
Ouyen P-12 College Parents Association motto is For the Children.
We’d love to have more people join us in supporting the children and the school at Parents Association gatherings.

WHAT’S NEW?
We have some new and enthusiastic parents taking on roles in 2016 [and some that have been around a while].

FACEBOOK PAGE:
We have newsletters, notes home and Tiqbiz but have decided that Parents Association would benefit from its own space that can be administered as needed. It will be up and running by the end of term and will be for sharing information about PA events; special programs for parents and students that might be of interest; and relevant educational bits and pieces. Melinda Clarke will administer it

Sheep Sale – Watch out for the roster and your turn. Thanks to those parents who indicated they’d do an extra turn. 2015’s Sheep Sale kiosk raised $4,000.00 for the school. Your assistance with working in the kiosk and/or cooking helps provide extra support for your child’s learning.

There will be no sale on March 24th due to the Easter break. Next sale will be April 7th.

THANK YOU:
to the primary school families and friends who have offered cakes, slices and biscuits for this weekend’s Quilter’s event at the Roxy.
