Principal’s Report

It was pleasing to come back to school from my leave to find everything had been running smoothly. Thank you to Ms Cross for her leadership as Acting Principal in my absence.

This week we held our Annual General School Council Meeting and election of office bearers. The Annual Report was tabled at this meeting and will be available on the school’s web site shortly. At the meeting, we welcomed Mr Terry Richardson as our community representative and Mrs Pat Higgins as a parent representative. Ms Cross and Miss Burns were re-elected as DET representatives. Mrs Tania Down was re-elected as President, with Mrs Pat Higgins Vice-President.

At Tuesday’s school council meeting it was decided to limit the number of fundraising activities held each term to avoid putting too much pressure on family budgets. Council also approved Parents Association funding of sport and sand play equipment for use in the yard.

Both primary and secondary swimming teams represented our school at the inter-schools swimming carnival in Swan Hill this week. I know a lot of hard work both by teachers and students has been put into training for this competition, made more difficult by the pool closure which has seen parents driving their children to Underbool to train.

We were notified this week that water quality issues at the Ouyen Swimming Pool are ongoing which will mean the pool will be closed for the rest of the season. This has resulted in the cancelation of the Primary and Secondary Biathlon events. Hopefully, we will be able to reschedule these for later in the year.

Attendance has been a big focus this term at our school. Students cannot expect to successfully complete a year if they are regularly absent. High absence rates negatively impacts student learning as well as social development. I am happy to say there have been some improvements in this area however we still have parents who allow their children to stay home without valid reasons. Letters will be sent home next week to families whose children are being put at risk through excessive absences, (not illness related) these will invite parents to work with us to improve student attendance at school through the development of Attendance Plans. Students who are ill for lengthy periods can have the work sent home to help them to keep up.

Congratulations to Years 12 and 6 for having the highest attendance for the term. Students with 100% attendance for the term will receive awards at the P-12 Assembly next week.

Mid-semester reports for 7-12 students will be sent home next Thursday in sealed envelopes. Along with the reports there will be Student Learning Plans and Behaviour Plans for some P-10 students. Teachers will indicate on the report if they would like to speak with parents and appointment sheets will be included for parents to request meetings with teachers. Parent/Teacher meetings will take place in Week 2 next term for P-12 students.

This week our thoughts have been with Harry and the entire Lynch family following the tragic accident last week. I am sure I speak for our entire school community when I say we are all devastated by Harry’s accident and wish him all the best both short and long term.

Term 1 finishes next Thursday at 2:30pm with Term 2 beginning on Monday April 11th.

CLEANUP AUSTRALIA DAY:
This week Year 10 Ag students began their contribution to the Clean Up Australia Day initiative. These students will continue a clean-up around the boundaries of the school property next week.

THANK YOU THANK YOU THANK YOU!!!

Thanks to students, friends and families for collecting plastic lids over recent months. WE NOW HAVE ENOUGH!! Anyone with collections still at home, please send them along next week.
Art students will be joining forces with the Year 10 Ag students to assist with the design of our garden mural, which will then be completed by the Ag students next term.
SPORTING SCHOOLS PROGRAM:

Students in Prep to Year Four have been participating in the Sporting Schools program for Term One and have been learning all about Softball. They are being coached and mentored by four Year 11 boys; Harrison Jolly, Ryan McKay, Liam Brackenridge-Blume and Tom Morrish.

Sporting Schools aims to help children develop a lifelong interest in sport, gain a healthier mind and body, have fun and learn sport activities and games in a safe environment.

CRAZY HAIR DAY:

The magnificent amount of $300 was raised for the Leukaemia Foundation when students wore their most stunning hairdos to school recently.

Thanks to Mr Harrow for volunteering to have his head shaved for such an important occasion.
INTEGRATED PLASTIC RECYCLING VISIT:
Last Wednesday 9th of March the year 11 PD&T students and Mr Hager, went on an excursion to the Integrated Recycling factory in Mildura. The aim was to research and investigate how sustainable practices are achieved when recycling plastics. We arrived at the factory at 10:30am with the boys eager to get off the bus and have a look around. After Mr Hager got a photo of us outside the front of the factory we went inside to meet John, the manager. John gave us a brief history of where and why they started the business, we put on safety vests and then started our tour. It was amazing to learn about the many stages and processes used to recycle the old plastics. John explained how they acquire the used materials locally and the processes involved to create quality products, such as outdoor tables, seats and bollards for local council, other items are exported overseas. The tour took a little over an hour and revealed an insight into how plastics are recycled. Before we returned to school we decided to look at some different recycled products in use at the Mildura Eco-Village. Overall it was a productive trip, with both Mr Hager and us students learning all about the techniques used by this particular company.
Harrison and Tom.

MUSIC:
The school’s music program is thriving in its many facets. Classroom music, electives, choir, drums and guitar tuition has the performing arts blossoming. Singing, ensembles, small bands, appreciation and solo instrumentals charge the air and fill the soul. You can hear riffs, rock, ’In the Hall of the Mountain King’, The Seekers, Batman theme, game themes, folk, pop, musical show stoppers, percussion and classical.

Ouyen P-12 College is fortunate to have 4 students Dev Pandya, Aden Pengelly, Joel Grace and Hannah Gall that were selected from across the Mallee Cluster to take part in the inaugural State Library Young Researcher Fellowships program. This provides the opportunity for Fellows to undertake authentic research with the support of the Library’s teachers, collection experts and publishers. It is an exciting program and last week we ventured to Melbourne with the other six fellows for our first visit to the library and started our project. My favourite part of the young researcher fellowship was when we arrived at the Melbourne Library and got to see how big it was. We had a tour of the library and went to places that normal tourists would not be allowed to go. In a place called Queens Hall a pianist died a long time ago. Guards heard the piano playing but when they walked in it would stop. They eventually decided to take the piano out of the room. The library has more than 30 million books and newspapers in storage.

**Joel Grace**

The part that I enjoyed the most about going to Melbourne was visiting the library and going into all the areas most people don’t get to visit like the underground storage and Queens Hall. It was also great seeing Ned Kelly’s armour in real life. My favourite part was meeting my mentor Andrew who is going to help me with my project on reptiles.

**Aden Pengelly**

We stayed in Discovery Melbourne and went to the State Library of Victoria which was 2-3 blocks away. It was an awesome 3 days in Melbourne and I can’t wait to start our project and November when we go again!

**Hannah Gall**

My highlight about going to Melbourne was meeting my mentor. I was paired with a man named Steven. I think this was the best part because I found out he was a person I can really talk to. Going to Melbourne was the best.

**Dev Pandya**
For the cost of a gold coin donation – come run, walk, hop, skip the primary cross country course to support the Leukaemia Foundation.

Are you interested in a Nursing and/or Midwifery Career?
Division 1 nursing - three-year degree at university Division 2 requires an 18-month diploma.

If you wish to study midwifery, this can be done through a double degree in nursing and midwifery which will take 4 years or by studying nursing and then doing an 18-month course in midwifery. The double degree is offered at Deakin, La Trobe and Monash Universities.

From 2017 Victoria University (St Albans campus) is introducing the double degree.

Note: there are many other combinations of double degrees with nursing, providing more employment and interest options upon graduation. For example, ACU offers Nursing/Paramedics at the Ballarat campus and Deakin offers Nursing/Public Health and Health Promotion, Nursing/Psychological Science (and also a single degree called Nursing (Clinical Leadership)).

Check Out Studying Science at RMIT – Deciding where to study after finishing school is a challenge.

One way to find out more is to visit the university that interests you and see the facilities. Students and parents are invited to visit RMIT’s state-of-the-art learning laboratories, Programs cover biology, biotechnology, chemistry, environmental science, food science, nanotechnology and physics.

NEXT MEETING:
Our next meeting will be on Monday, April 11th – first day of Term 2. Time to be confirmed. There will be some funding requests to consider and some events to plan. The first will be aimed at some Primary aged students with their parents.

SHEEP SALES:
Watch out for the roster and your turn. Thanks to those parents who indicated they’d do an extra turn. **2015’s Sheep Sale kiosk raised $4,000.00 for the school. Your assistance with working in the kiosk and/or cooking helps provide extra support for your child’s learning.**
There will be no sale on March 24th due to the Easter break. Next sale will be April 7th.

FACEBOOK PAGE:
We have newsletters, notes home and Tiqbiz but have decided that Parents Association would benefit from its own space that can be administered as needed. It will be up and running by the end of term and will be for sharing information about PA events; special programs for parents and students that might be of interest; and relevant educational bits and pieces. Melinda Clarke will administer it.

THANK YOU:
to the primary school families and friends who sent along cakes, slices and biscuits for this weekend’s Quilter’s event at the Roxy. Hopefully, all containers have been received. Missing one? Please contact the school to let us know.

Kanga Kicks

Are you between the ages of 5 and 8 and interested in learning to play AFL? Ouyen United Kangas is offering a program which makes learning to play AFL fun, safe and easy for boys and girls. Through weekly coaching sessions they will learn the skills of the game in an exciting, social and safe environment. Children will learn the fundamental motor skills vital for future physical activity and sport participation as well as learning how to interact with other children as part of a team in small group activities. Kanga Kicks will replace the NAB Auskick program which has been offered in previous years, it will run during Term 2 and will continue to be held on Thursday afternoons. **There is no need to register with AFL Auskick.**

Camps, Sports & Excursions Fund (CSEF)

**Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund will ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities.**

School **camps** provide children with inspiring experiences in the great outdoors, **excursions** encourage a deeper understanding of how the world works and **sports** teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student will be:

- $125 for primary school students
- $225 for secondary school students.

**How to Apply**

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

**Closing Date**

You should lodge a CSEF application form at the school by June 3rd, 2016
