Principal's Report

**SRC Quiz**
This week our SRC organised and ran a very successful quiz. The quiz, which took place at lunchtime on Wednesday, saw groups of students form Years 5 to 12 enter teams to answer questions related to topics such as sport, music, current affairs and geography. Thank you to Mrs Michelle Morrish and the teachers who assisted with this event.

**P-6 First Aid**
P-6 students were involved in a First Aid program this week provided by St John’s Ambulance. Students were taught what to do in emergency situations and how to administer emergency first aid. This was a great opportunity to start conversations about what children can do when things go wrong.

**Olden Days Show and Tell**
It was great to see grandparents and friends visit our Prep room this week for some good old fashioned Show and Tell. The visit was a great success and our preps really loved the experience of looking at old items and talking about times gone by.

**Reports**
Mid-semester reports for Years 7-12 students will be sent home this afternoon along with NAPLAN Reports for students in Years 3, 5, 7 and 9. Parents/Teacher Interviews &-12 will be held early next term.

**End of Term**
As we come to the end of Term 3 I would like to thank my staff for all their hard work not only planning, teaching, assessing and giving feedback but for all the ‘extras’ they provide such as Sports Training, Athletics Days, organising and accompanying camps and excursions, conducting information sessions and providing special events and activities. I would like to thank our students for their hard work and efforts over the term and our parents for their support.

This break will be a chance to revitalise ready for Term 4. Unfortunately, there won’t be much rest for our VCE students who will be (or should be) hard at work preparing for the all-important exams taking place towards the end of October. Staff will be conducting practice exams over the holidays for students to provide some extra support for our VCE students.

**NO HAT, NO PLAY**
Hats are to be worn in Term 4 as per our Sunsmart Policy.

THOUGHT FOR THE WEEK

Friendship... is not something you learn in school. But if you haven’t learned the meaning of friendship, you really haven’t learned anything.

VCE Practice Exams:

Practice exams will be held for students completing a Unit 3/4 subject. The exams will take place on Monday, September 19th and Tuesday, September 20th (the first week of the holidays).

The practice exams have proven very beneficial to both students and subject teachers and I urge all students to attend. If students are unable to attend and parents contact the College, other arrangements may be made.

SUNRAYSIA SOUTH OLYMPICS:

Congratulations to the students who represented the school at the Sunraysia South Athletics on Thursday.

Illness, camps and wet weather had hindered preparation in the lead up to the sports, but the students competed with enthusiasm to produce some great results on the day.

Winning students will qualify to compete in the Regional athletics to be held in Bendigo on Monday, October 10th. Thanks to Mr Roberts for his assistance and the parents who assisted at the shot and discus – a great effort, in what can only be described as “chilly” conditions.

A full report will appear in the newsletter next term.
SRC QUIZ:
To celebrate the end of the term, the SRC conducted a quiz at lunchtime on Wednesday, with SRC reps from Years 5-11 providing questions on a range of topics including Geography, History, Music, Current Affairs, Sport, and Year 12 reps Adriana and Aidan providing a range of “Who am I” questions to keep the group entertained while scores were being tallied. Mr Morrish was chief question and answer reader, while SRC reps Abbey and Megan corrected and collated the scores and kept the board up to date.

After 5 rounds and the Year 12 students leading the race – the board was turned for the final two rounds and teams were kept guessing if there was a change in the leaders at the completion of the questions. When the board was returned, the Year 12’s **Authorised Personnel Only** had managed to maintain the lead, closely followed by The Tropics – Year 9 students with a couple of Year 12’s assisting or hindering? The Green Grenades snuck into 3rd place by 0.5 mark over three teams. Well done to the SRC for organising the quiz, thanks to Mr Morrish for his MC work, Abbey and Megan for scoring and Mr O’Brien and Mr Hussey for their excellent correction skills on the super challenge questions.

Big thank to Aidan (and Tania) for supplying the prizes for the “Who am I” questions. The winners and place getters will all receive vouchers for Mallee Route Café – well done to the SRC for donating these prizes.

SCIENCE EXPERIMENTS:
On Tuesday, the Year 8 students entertained the prep students with a range of science experiments, while the Year 7 students hosted the Years 1 & 2 students on Wednesday. The students were entertained with volcanoes, flying film canisters, exploding milk, dancing pepper, tornadoes in a bottle, rain clouds and lava lamps. Well done to all the students involved and Mrs Simmonds, Miss Lacey, Mrs Mole, Mrs Grace and Mrs Allender for their assistance.
CAMP IN MELBOURNE!
My highlight of term 3 was camp in Melbourne. Camp was amazing! My favourite part of camp was ice-skating. I love ice-skating and I had only been twice before. Camp was a great experience, I really enjoyed Bounce, the Aquatic Centre, Eureka Skydeck and the Queen Victoria market as well! Thank you to all the teachers and all the guides for making it all happen. We had the time of our lives. The Eureka Skydeck was an amazing experience. You can see almost the whole city!

Georgia Latta

Our camp to Melbourne was Amazing! I really enjoyed all of it. My favourite was the MCG, the best bit was singing the Geelong Cats song right where Geelong sang it when they beat Hawthorn in the Qualifying Final and going in on the Geelong interchange bench. I also enjoyed seeing Gary Ablett snr Guernsey and footy boots. Bounce was really good. I loved playing Dodgeball and doing slam dunks on the basketball ring.

Samuel O'Shanessy

These are my top 5 camp highlights for 2016, I loved all of it and everything we did but these are my 5 favourites.
Bounce, because you get to go and jump on the big bag, get a run in the free run, hit people with dodge-balls, have a go at trying to climb a wall and to slam dunk. It was so cool to jump so high and not getting worried of having it break. I was so close to land a handstand flip.
Ice-skating, because we get to have a go and try and balance, it was pretty fun falling down and then getting back up because it didn’t hurt. Emily was so nice, she kept offering everyone if they needed help. I think Sienna will be good at ice-skating because she has long legs so she will go fast.
Swimming, because we got to go down a very fun water slide, go in the wave pool, have a go at an obstacle course thing. But I should have brought goggles because the chlorine got in my eyes.
Eureka sky deck, because I got to see my auntie and her boyfriend, see the view, take some amazing photos of all the twinkling lights and go out on the edge. When I was there I got Tate a cricket ball and I hope it doesn’t go through the window.
Zoo, because I got to see my other auntie & my cousins and got to see heaps of different animals. When I was there I got myself a penny with a frog on it.

Mia Hulland

The 2016 camp was incredible. I really enjoyed all the activities that we got to do. The thing I enjoyed the most would have to be the MCG because we got to go into the Geelong rooms and sing the song in the exact same spot as they did. We got to go onto the interchange bench and learn about why they had lights shining onto the field. We also got to go inside the meeting room and watch a short video of Hawthorn in there on Grand Final day. Our tour guide showed us around the rooms and showed us the little rooms I never knew there were.
On Thursday night we went Ice skating. We were told at the start the tighter the skates, the better we skate. I did mine really tight and it hurt my feet. There were some people in our group I was jealous of because they could skate so well and I eventually got the hang of it. It really hurt when you fall over but luckily I didn’t fall over much. It was really cool because I wasn’t really good at the start but I got really good at the end and didn’t fall over for 20m. Over on another ice ring there was a game of ice hockey going on that we were allowed to have a quick look at.

Joel Grace

Some students from Ouyen P-12 College, Tempy and Underbool went to Melbourne for camp. At Bounce we got special socks and there was a pillow pit, a run up pillow pit, dough ball, free jump, slam dunk. My favourite thing was the pillow pit because I got a good high to do a good front flip and I also attempted a back flip that didn’t really work.

OUR GREATEST WEAKNESS LIES IN GIVING UP. THE MOST CERTAIN WAY TO SUCCEED IS ALWAYS TO TRY JUST ONE MORE TIME.

Thomas A Edison.
**Head Lice**

**Purpose:**
Head lice continue to cause concern and frustration for some parents, teachers and children. This school policy is intended to outline roles, responsibilities and expectations of the school community to assist with treating and controlling head lice in a consistent and coordinated manner.

Whilst parents have the primary responsibility for the detection and treatment of head lice our school community will work in a cooperative and collaborative manner to assist all families to manage head lice effectively.

This school policy draws on information obtained from the Victorian Government Health Information website.

**Guidelines:**

It is the expectation of parents/carers and families attending this school that:

- Children’s hair will be checked for head lice on a weekly basis, at home, using the recommended conditioner/combing detection method
- That your child does not attend school with untreated head lice (in accordance with Health Infectious Diseases Regulations 2001)
- Regularly inspect all household members and then treat them if necessary
- Parents/carers will notify the school if their child is found to have live lice and advise when appropriate treatment was commenced (in accordance with Health Infectious Disease Regulations 2001)
- That following detection and treatment of lice, a letter from the local shire office, stating that hair is clear, will be obtained.
- Children with long hair will attend school with hair tied back
- Use only safe and recommended practices to treat head lice
- Notify the parents or carers of your child’s friends so they have an early opportunity to detect and treat their children if necessary
- Maintain a sympathetic attitude and avoid stigmatising/blaming families who are experiencing difficulty with control measures
- Act responsibly and respectfully when dealing with members of the school and broader community especially around issues of head lice
- Sign an agreement accepting the terms of the School Head Lice Procedures.

To support parents/carers and the broader school community to achieve a consistent, collaborative approach to head lice management the school will undertake to:

- Distribute up to date and accurate information on the detection, treatment and control of head lice to parents and staff at the beginning of the year or more frequently if required.
- Include information about head lice management in orientation and transition programs for new families/staff attending the school
- Include information and updates in school newsletters
- Include annual head lice updates for staff in-service programs
- Provide practical advice and maintain a sympathetic attitude and avoid stigmatising/blaming families who are experiencing difficulty with control measures
- Access community educational resources and support, such as primary school nurses, community health centres and local government
- Abide by the recommendations of the School Exclusion Policy of the Health (Infectious Diseases) Regulations 2001 in that the responsibility to exclude a child from the school rests with the principal or person in charge, and
- Only exclude children from school with live insects
- Accept the advice of parents that appropriate treatment has commenced
- Encourage children to learn about head lice so as to help remove any stigma or ‘bullying’ associated with the issue
- Request that all families attending this school sign an ‘agreement’ to accept the conditions of the school’s head lice policy and procedures
- Be aware of real difficulties some parents may encounter and seek extra support if required
- Act responsibly and respectfully when dealing with members of the school and broader community especially around issues of Head lice
- Continue to seek opportunities to increase our collective understanding of and response to managing head lice.

**Head Lice Inspection Program**

The school will:

- Ensure that any person employed by the school, or volunteering, to undertake ‘head lice inspections’ will adhere to the school policy and latest Department of Human Services information and Health (Infectious Diseases) Regulations 2001
- Only inspect the heads of children whose parents have given prior consent
- Develop a generic/blanket consent form which parents sign on student enrolment or commencement of school year
- Respect the wishes of parents/families who elect not to participate in a school head lice check
- To help reduce the stigma and maintain confidentiality when conducting head lice inspections a letter will be given to all the children involved
- Include teachers and school staff in inspection.
Parents Association News:

Meeting – With a few events on in October, the next PA meeting is set for Tuesday, October 4th [Day 2 of Term 4] at 3:30 p.m. in the Conference room. Meetings are not long but are a good chance to learn a bit more about what the school is doing, and why, to share ideas, and to provide feedback as requested from time to time.

Book Review - Know a good book you’d like to recommend to others? Care to write a review on it? We’re looking for parents, staff and students willing to share some thoughts on a book through the newsletter — could be a school text, a classroom favourite, a parent resource, a provoking read ….. Catch up with Miss Cross if you’re interested.

Well done – to all Primary students who competed in Athletics in Mildura this week.

Catering – The annual Seniors Week lunch is on Thursday, October 6th at Roh’s Shed next to the Roxy. We are asking families of Years 7 and 8 students to provide the soup and sandwiches for this day. Numbers are not confirmed at present but will possibly be around the 30 mark. Brooke Smith is the contact person. We will need about two x 4L pots of soup, 4 packets of sandwiches and 3 workers – package sandwiches/heat soup at Community Centre, serve at the park. Catch up with Brooke over the break. 0488191820 [Same day as Bendigo Athletics]

October 19 marks the last day of school for our Year 12s. The school’s tradition gives the year 11 families the honour of providing the annual Year 12 luncheon for the students and their teachers. Details will be on the first newsletter for Term 4. We would like a parent of a Year 11 student to volunteer to be the contact person for this. Please contact Raelene Vine 0407849174 if you’d like to do that role.

We have been asked to provide a light lunch for the parents and children of the Tempy/Patche Playgroup as they celebrate Children’s Week in Patche on October 24th. The Prep/1/2 families will look after this one. Again, details early next Term.

Thanks to those who have filled the gaps on the sheep sale roster.

Parents Victoria Annual Conference – will be on over October 12 and 13 at Pullman – Melbourne on the Park Hotel, East Melbourne. The program looks very informative around the theme of What’s Great in the Education State. It includes sessions on: Capable parents, capable teachers, capable children: rethinking the relationship between teachers and parents and the role of schools today.

If you’re interested in attending or just interested in the program, a copy of the flyer is available at http://www.parentsvictoria.asn.au/

Whether you have a VCE student who’s doing practice exams and revision lectures or younger children who are ready to just chill [or run riot] — enjoy the spring break from classes. Another busy term awaits.
