## SRC REPORT

.....

As we begin Term 3, we have a lot in store for the next coming weeks. Today we have Pyjama Day to raise funds for the SRC. Further in the term, the SRC have decided to organise a RUOK day, with team games and activities at lunch, and prizes to be won, as well as, a footy colours day on the last day of term. On each Tuesday throughout this term we have had hot chocolates running, thank you to all the SRC representatives that have shown up and did their part, we have had a successful couple of weeks and we are looking forward to an action packed, exciting Term 3!

## PREP- YEAR 4 REPORT

Our P-4 students have been waiting anxiously to visit our school patch and the P-2 classes were above excited when Mr Parsons took them early last week. A big thank you to all students who have been helping to prepare the garden beds to grow some seedlings! The year 3 students have been practising their high jump skills in PE, preparing for their athletics next week. They are looking forward to enjoying the athletics day so that they can compete and spend time with their friends. The primary students have also been enjoying their reading times, when the secondary students join them to listen to a student read their books. With so much happening in our P-4 classrooms, one of the highlights last week was when the 1-2 students made catapults in STEM. All of the students used their creativeness to construct a catapult to see which one could launch the furthest however the winners were Sadie and Hallie!

## 5-8 REPORT

The 5/6 students have had an exciting start to Term 3, with their School Camp to Melbourne. Thanks to those who put together a photo page to show some of the adventures they had. A big thanks to Miss Gibson and Miss Burns who joined the students for the trip.

Year 7 & 8 are back into the swing of things, beginning their Semester Two subjects. Many students have put their hands up for extra curricular activities including the Production and School Newsletter Club. It's wonderful to see so many from our area becoming involved.

If you happen to walk through the shared space, have a look at our jigsaw in progress. It's a wonderful picture of pride rock and all of the character from The Lion King!

## 9-12 REPORT

While our Year Nine's have been patiently waiting to hear who is going to Alpine Camp, our Year Ten's have been gathering expressions of interest for their camp in Term 4.

Our 10's & 11's have been hard at work deciding their subjects for Year 11 & 12, and speaking of the Year 12's, they have been continuing to attend after school classes for each subject. It is great to see the leaders of our school being so dedicated to their studies.

I would like to thank all of the teachers that provided information for our class reports for our first newsletter!

# THE PATCH

The Patch is now full of life with many new exciting additions and projects underway, from sheep to guinea pigs! All of the animals have made themselves at home and are being well looked after and appreciated by students across many grades. More student projects will soon be underway that are sure to be just as exciting and are looked forward to. Thanks to all of those involved that have made these opportunities possible for us students.

## FUN FACT

Pigs are very smart animals and are even smarter than a dog and are able to learn many things.

# Lion King Updates

## The latest

Our cast has been working hard to learn their lines and songs over the past few weeks. It has been decided that Tuesday lunch times will be dedicated to blocking. All students have been turning up to rehearsals and giving it their all. The ensemble has been doing great for the back up vocals with the cast really getting into character. Last rehearsal it was great to see everyone there and thank you to the teachers that prepared us with a little snack before we started. It's great to see everyone giving it a go and we all can't wait for the up coming production.
